### CRITERION II - TEACHING-LEARNING AND EVALUATION

2.2.1 - The institution assesses students' learning levels and organises special programmes for both slow and advanced learners.

#### DECLARATION

This is to certify that for the Academic Year 2020-21, the institution has assessed the students' learning levels and has organised special programmes for both slow and advanced learners. In addition, various programmes have also been conducted on a common basis for all the students. The following documents have been enclosed as proof of the activities which cater to the different student levels.

#### 1. Slow Learners

- Remedial Class (Schedule, Attendance, Content discussed and Name list for all departments)
- Systematic Learning Plan (course objective, course prerequisite, course outcome – program outcome mapping, syllabus, lesson plan, content beyond syllabus, question bank for all courses)
- Online Classes on Weekends (year, semester, subject, topic, date, number of students attended and screenshots)

#### 2. Advanced Learners

- Fastrack Course (list of students enrolled in Fastrack course for all departments)

- **Participation in Events** (list of students who participated in events like workshop, paper presentation, CEMP, find the electro components etc., and certificate)
- **Online Courses like Swayam – NPTEL, Cisco, Guvi etc** (list of students who completed online courses and certificate for all department)
- **Academic Achievements** (list of students' who get prizes on participating various events related to academics and certificate)
- **Encouraging to apply for Paid Internship** (List of students done paid internship and Bonafide letter from companies)
- **Proposal submission to the funding agency** (list of TNSCST proposal submitted and front sheet of the proposal submitted)

### 3. **Common to all**

- **Academics:**
  - **Professional Bodies Membership** (Membership list of ISTE, IEEE, CSI, IEL, IETE and College website link for professional societies activities)
  - **Bridge Course** (Schedule)
  - **Value added course** (List of students who enrolled for value added course and certificate)

- **Collaboration with industry through Centre of Excellence** (MOU's of Virtusa, Solver minds, CISCO, Aspire System)
- **Guest lecture, seminar and workshop** (List of students who attended guest lecture, seminar and workshop)
- **Skill development:**

**IFETCE assess the learning levels of the students through a two-pronged approach**

1. **Bridge Course** - The major goal of the course is to bridge the gap between courses covered in school and those studied at college. The course programme is designed in such a manner that pupils get fundamental understanding of the disciplines they will study through graduation. Students enrolled through lateral entry are given additional coursework to help them bridge the gap.
2. **Internal Assessment Examination** – Students are classified as slow or advanced learners based on the results of this exam.
