**Subject: Accreditation status of program applied by IFET College of Engineering, IFET Nagar, Gangarampalayam, Villupuram- 605 108, Tamil Nadu.**

Sir,

This has reference to your application I.D. No. 6485-05/02/2022 seeking accreditation by National Board of Accreditation to UG Computer Science & Engineering program offered by **IFET College of Engineering, IFET Nagar, Gangarampalayam, Villupuram- 605 108, Tamil Nadu.**

2. An Expert Team conducted onsite evaluation of the program from **6<sup>th</sup> to 8<sup>th</sup> January, 2023**. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The Competent Authority in NBA has approved the following accreditation status to the program as given in the table below:

Sl. No.	Name of the Program (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(4)	(5)	(6)	(7)
1.	Computer Science & Engineering	Tier II June 2015 Document	Accredited	Academic Years 2022-2023 to 2024-2025 i.e. upto 30-06-2025	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the Competent Authority, whichever is earlier

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The program has been granted accreditation for 3 years. **IFET College of Engineering, IFET Nagar, Gangarampalayam, Villupuram- 605 108, Tamil Nadu** should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above so as to be eligible for consideration by the concerned Committee in NBA for further processing of the accreditation status.

Contd./...

5. The accreditation status awarded to the program as indicated in the above table does not imply that the accreditation has been granted to **IFET College of Engineering, IFET Nagar, Gangarampalayam, Villupuram- 605 108, Tamil Nadu** as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above program is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited program as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

7. The accreditation status awarded to the program as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

8. A copy each of the Report of Chairman of the Visiting Team and Evaluators' Report in respect of the above program is enclosed.

9. If the Institute is not satisfied with the decision of NBA, it may appeal within thirty days of receipt of this communication giving reasons for the same and by paying the requisite fee.

Yours faithfully,

(Dr. Anil Kumar Nassa)

## WHEREAS

IFET COLLEGE OF ENGINEERING (AN AUTONOMOUS INSTITUTION) stands out as an institute of academic excellence by imparting technical, intellectual, and professional skills to the students, offers a distinguishing blend of premium graduate, undergraduate and research programs.

Movate is a global Information Technology, Consulting and Digital Solutions company that provides IT and business consulting, application support and maintenance, development, systems integration, and managed services to its customers.

The College is desirous of placing its students in Movate through Campus Placement - a program conducted within universities and educational institutions to provide jobs to final year passing out students. The educational institution wishes to partner with Movate for recruitment of its final year student population.

Movate is desirous of identifying and nurturing suitable talent from the College who will be considered for placement to Movate after graduation.

This MOU is intended to be legally binding between the Parties and is enforceable in accordance with the applicable laws and regulations.

Accordingly, the Parties have decided to reduce into writing their mutual representations and understanding as stated hereunder:

## NOW THIS MOU WITNESSETH AS FOLLOWS:

### Objective:

The over-all objective of this MOU is to ensure:

1. Movate offers an Industry Readiness Program to final year shortlisted students to gain exposure on trending technologies like Cyber Security, Digital Engineering Services, Infra Structure Services and Consumer Technical Support.
  2. Students from the College who meet the eligibility criteria of Movate will be shortlisted and given access to the Movate Virtual Academy - iAccelerate Portal on the technology of interest for Movate.
  3. Placement opportunities for students in Movate upon successful completion of Industry Readiness Program as per defined threshold.
  4. Trained and ready to deploy talent availability for Movate.
  5. Movate representatives to be in Board of Studies of College to guide and mentor the students in developing talent and make them industry ready.
  6. Movate employees to participate in the technology symposiums and guest lectures to bridge the gap between academia and industry
  7. Provide opportunities to students to be groomed and mentored by industry experts
- 
1. The Parties on this day have executed this MOU to establish a partnership with an intention to enhance the capability of the students selected for Movate from the College through an **Industry Readiness Training Program**, focused training for the pre-selected students with support from the College POC

who will be oriented by Movate subject to the following **Terms and Conditions**:

- a. The college partners with Movate to conduct Industry Readiness Program on technologies like Cyber Security, Infrastructure & Cloud Services, Digital Engineering Service and Consumer Technical Support (Refer Annexure 2).
- b. The Program Sponsors for the agreed programs shall be the Head of Training & Placement Department from the College and EVP & Chief People Officer from Movate.
- c. The Final year students of any Engineering Course with Computer Science/ IT as specialization who are to be trained shall be pre- selected by Movate (hereinafter referred to as the "Pre-selected Students") as per Movate's eligibility criteria and selection process and a Conditional Offer Letter will be given to the Pre-selected Students which will specify the conditions to be complied with to join the organization.
- d. Students will be stack ranked based on their performance and the top performing students from the training program who qualify may be selected into Movate roles, subject to the policies of Movate.
- e. Movate will have the final say based on the individual performance of the students in this regard. All final selections for the offer will be subject to selection in the final Movate recruitment process.
- f. Movate will provide the pre-selected students with access to the iAccelerate Portal with the required e-learning courses for the Industry Readiness Program with training content, industry- academia exposure, and support events to uplift the capability of the Pre-selected Students.
- g. Refer **Annexure-1: Campus Connect Collaboration Plan** is a list of recommended programs by Movate which aims to make the Pre-selected Students industry ready. Movate recommended programs will be implemented for the Pre-selected Students.
- h. The College shall not charge the Pre-selected Students any fee for this course. If it is found that the College has charged fees for this program from students, Movate shall have the right to terminate this MOU and/or pursue other remedies available under the law, against the College.
- i. Movate would do an initial screening process and shortlist students for the Industry Readiness Program. The shortlisted students, would be given a conditional offer letter, confirming their selection into the program.
- j. Movate shall have the discretion to make full time employment offers to any of the Pre-selected Students upon successful selection in Movate 's recruitment process, the Industry Readiness Program, subject to completion of their graduation. Movate shall not be under obligation under this MOU to recruit any fixed number of Pre- selected Students.
- k. The program involves substantial efforts and investment and continuous engagement from Movate with the intent to develop and hire substantial number of students from the College. The College shall therefore, take all necessary steps to ensure that at least 70% of the pre-selected Students join Movate after successful completion of the training. A drop in the joining percentage below the expected level will seriously jeopardize Movate 's interests and may be a material reason to not continue the engagement in the following years.

17. Any dispute arising out of this MOU shall be at the first instance attempted to be settled amicably between the Parties within a period of 30 days. If the dispute is not resolved within 30 days from the date it first arose, or if either Party believes that it is unlikely to be resolved in this matter, any such dispute shall be finally referred to arbitration. Any controversy or claim arising out of or relating to this MOU, or the breach thereof, shall be settled in accordance with Indian Arbitration and Conciliation Act 1996, and judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction. The arbitration shall be conducted by single arbitrator mutually appointed by the Parties. The seat of arbitration shall be Chennai, Tamil Nadu, India, and the arbitration shall be conducted in English language. In case, the dispute cannot be settled amicably, this MOU shall be subject to the jurisdiction of courts at Chennai.
18. **Force Majeure.** Neither Party shall be liable for any loss, damage or penalty resulting from delays or failures in performance of their obligations under this MOU if the failure results from events beyond the reasonable control of either Party. For the purpose of this MOU, such events shall include, but are not limited to acts of God, war, hostility, invasion, act of foreign enemies, rebellion, revolution, riots, civil war or disturbances, acts of civil or military authority, laws, regulations, pandemics, epidemics, COVID-19, acts or orders of any governmental authority, body, agency or official, fires, inclement weather, rain or floods (however caused), strikes, lock-outs or other Labour disputes, epidemics, outbreaks, embargoes or other catastrophes affecting the availability of materials or Labour necessary for the performance of this MOU. The Parties hereto agree to notify the other Party promptly of any such circumstances delaying its performance and to resume performance as soon thereafter as is reasonably practicable.
19. **Anti-Bribery Compliance:** The College acknowledges that Movate conducts its business in ethical manner and has no tolerance against bribery and corruption. The College and its promoters, partners, employees, representatives, subcontractors, and agents therefore will not violate any applicable anti-corruption and anti-bribery laws and other laws and regulations in the applicable country of operation, including but not limited to U.S. Foreign Corrupt Practices Act and the Bribery Act 2010, then in force.

IN WITNESS WHEREOF both Parties have caused this MOU executed by their duly authorized representatives on the day, month and year stated hereunder.

The Institution has evolved a comprehensive student-centric learning approach consisting of several stages, designed to add significant values to the learner's understanding in an integrated manner, covering relevant knowledge, practical skills, and positive attitudes.

AND WHEREAS Institution, to enrich practical skills and impart industry-relevant course curriculum to students of all engineering disciplines in the field of Information Technology(IT), has approached SVM for forging an industry-institute academic alliance with the intent to facilitate and train Institution's students and faculty on Development / Testing by utilizing SVM's relevant experience and by deputing SVM's representatives from time to time at the Institution with the object of providing exposure to SVM's Faculty and students to current industrial needs and requirements.

AND WHEREAS SVM, with a bona fide and non-commercial intention of serving the purpose of education and making the students more exposure to the present industrial needs and requirements thereby reducing the cost and time involved in training and making them skill-based personnel after graduation, has accepted the request of Institution.

Accordingly, the Parties have decided to reduce into writing their mutual representations and understanding as stated hereunder:

NOW THIS MOU WITNESSETH AS FOLLOWS:

According to the foregoing covenants, the Parties hereby agree and the state as follows;

1. That the Parties on this day have executed this MOU intending to enhance the quality of the educational experience for students and training of faculty of Institution and also for industry-institute collaboration between the Parties for mutual benefit and pursuant thereto the Parties agreed for;

SVM may as mutually agreed from time to time, provide Institution with certain material and access to the Development / Testing library and collaterals and the Institution shall use the materials and access to the Development / Testing library under the guidance of SVM and only for this MOU.

If requested by SVM, the Institution will nominate two or three faculty members for undergoing the Trainer program at SVM's office at Chennai for two weeks. The faculty, after completion of training, will be allowed to train a certain number of students as agreed upon in writing from time to time.

The final year students to be trained will be pre-selected by SVM (hereinafter referred to as the 'Pre-selected Students').

The course will be imparted for the duration specified by SVM as an additional training program. This program will be run during the pre-final semester of the graduation course being offered by the Institution for the Pre-selected students.

The Institution is not allowed to charge the Pre-selected Students any fee for this course. If it is found that Institution has charged fees for this program from students, SVM will have the right to immediately terminate this MOU and stop all association with the Institution.

The Institution is not allowed to train any other students according to this MOU other than the Pre-selected Students by SVM.

SVM shall retain the right of first refusal for making employment offers on completion of their graduation from the pool of Pre-selected Students. This is however not applied for the students who are not pre-selected by SVM or have not been made part of the training program under this MOU.

Pre-selected students who undergo this program as part of their pre-final semester may also be given an internship opportunity by SVM either in its office or through virtual mode.

The Institution will at its own cost establish a lab with the specified infrastructure requirements of SVM and will use the lab for imparting the course/training under this MOU. This lab will be used as a first preference for the purpose stated above.

### 1. INTENT

National Highways Authority of India (NHAI) intends to associate the IFET who shall voluntarily contribute its share of experience for betterment of the highway infrastructure.

### 2. SCOPE OF THE MoU

The primary scope of MOU inter alia includes the following:

  
Dr. G. MAHENDRAN, B.E., M.Tech., Ph.D.  
PRINCIPAL,  
IFET COLLEGE OF ENGINEERING  
GANGARAMPALAYAM - 605 108  
VILUPPURAM DISTRICT

  
General Manager, (T) &  
Project Director, NHAI,  
PIU - Viluppuram.

(i) NHAI shall facilitate the faculty, researchers and students of the Institute to familiarize with the latest trends in the highway/transportation sector with a common objective of sharing the knowledge in their respective domain. This will, in one hand, facilitate to bridge the industry-institution gap and familiarize students with the latest trends in industry and on the other hand the research output could be suitably adopted in practice by NHAI.

(ii) The Institute shall adopt nearby stretches of NHs as specified in the **Appendix-1** as a voluntary initiative under ambit of Institutional Social Responsibility (ISR). The list of stretches may be modified by deletion/addition by mutual consent of NHAI and the IFET.

(iii) The adopted stretch may be used as a field of study for faculty, researchers and students.

(iv) NHAI shall offer internship to maximum of 10 undergraduate and postgraduate students of the Institute periodically and also extend stipend

(v) NHAI shall pay stipend Rs. 8,000 (Rupees eight thousand only) per month for undergraduate students and Rs. 12,000 (Rupees twelve thousand only) per month to postgraduate students. All other arrangements including stay shall be responsibility of the Institute. However, depending upon availability, NHAI may extend transportation facility to the interns within the project jurisdiction.

### 3. Roles and Responsibilities:

The scope of this MOU shall be carried out in a collaborative mode between NHAI and IFET. The Roles & Responsibilities of NHAI and the IFET in performing the defined objective shall be as follows:

#### NHAI

- a. NHAI shall provide the list of potential National Highway stretches for adopting by the IFET;

  
Dr. G. MAHENDRAN, B.E., M.Tech., Ph.D.  
PRINCIPAL,  
IFET COLLEGE OF ENGINEERING  
GANGARAMPALAYAM - 605 108  
MILLUPURAM DISTRICT

  
General Manager, (T) &  
Project Director, NHAI,  
PIU - Viluppuram.

- b. NHAI shall facilitate availability of relevant data and testing required with specific reference to the above stretches through its field office/consultant/concessionaire/contractor engaged in the project
- c. NHAI will nominate an officer as a point of contact for all correspondence in carrying out the defined objective;
- d. NHAI shall facilitate the faculty, researchers and students of the Institute to give access to the site of the identified stretch being adopted by IFET, relevant documents for the purpose of activities to be carried by these intellectuals of the Institute;
- e. NHAI through its field office/Consultant/Concessionaire/Contractor engaged in the project, as per reasonable requirement, will disseminate and familiarize the latest trends and know how in highway/transportation sector in general and the identified project in specific to the authorized faculty, researchers and students of the Institute;
- f. NHAI may suitably adopt the research output and feedback received from IFET in practice for qualitative improvement as deemed fit at appropriate stage of implementation.
- g. NHAI may support creation of Lab infrastructure in the Institute and can sponsor relevant research project that helps in using alternative resource material and improving quality of roads.
- h. The NH stretch adopted can be co-branded with IFET by NHAI

#### IFET

- a. The Institute shall adopt stretch(es) of NHs as specified in the **Appendix-1** as a voluntary initiative.
- b. IFET through its authorized faculty, researchers and students will carry out periodic investigation and give suitable suggestions for improving the efficiency of existing highway asset inter alia covering the following aspects:

(i) Improvements in safety provision by removing existing deficiencies

(ii) Improvements in continual maintenance of the stretch using new technologies
