Subject: Accreditation status of programs applied by IFET College of Engineering, IFET Nagar, Gangarampalayam, Villupuram- 605 108, Tamil Nadu.

Sir,

This has reference to your application I.D. No. 9669-06/11/2024 seeking accreditation by National Board of Accreditation (NBA) to UG Engineering programs applied by **IFET College of Engineering, IFET Nagar, Gangarampalayam, Villupuram- 605 108, Tamil Nadu.**

2. An Expert Team conducted onsite evaluation of the programs from 27th to 29th June, 2025. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The Competent Authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No.	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Electrical & Electronics Engineering	Tier I January 2016 Document	Accredited	Academic Years 2025-2026 to 2027-2028 i.e. upto 30-06-2028	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the Competent Authority, whichever is earlier
2.	Electronics & Communication Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to **IFET College of Engineering, IFET Nagar, Gangarampalayam, Villupuram- 605 108, Tamil Nadu** as a whole. As such the Institution should nowhere along with its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

5. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

Contd./..

6. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

7. A scanned copy each of the Report of Chairperson of the Visiting Team and Evaluators' reports in respect of the above programs can be seen by the Institute at the tab-Accreditation Reports on the Institute's eNBA dashboard.

8. If the Institute is not satisfied with the decision of NBA, it may appeal within thirty days of receipt of this communication on eNBA portal alongwith Report of the Expert Team, giving reasons for the same and by paying the requisite fee.

Yours faithfully,

(Dr. Anil Kumar Nassa)

CLAUSE 2: SCOPE OF THE MOU

2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

2.2 Curriculum Design: Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

2.3 Industrial Training & Visits: Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the faculty and the students of the First Party to visit its group companies and also be involved in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party. A road map of the proposed industrial training and visits must be provided by the Second Party at the onset of this MoU. At the end of every quarter a report must be submitted to the IFET in-charge as well as IFET management. As per the requirement of First Party, Second Party accepted to provide industrial visit on every quarter.

2.4 Internships and Placement of Students: The Second Party will actively engage to support the delivery of internships and placement opportunities for the students of the First Party, in accordance with the AICTE internship policy, with prior permission and approval from the First Party (IFET Principal and Management). The Second Party will also register itself on the AICTE Internship Policy portal for disseminating available internship opportunities.

The Second Party will provide internships through their platform "**Thozhil**", wherein the First Party will nominate and facilitate the participation of **Minimum 200 students from first year to final year across all departments**. All students shall register on the Thozhil platform by paying an annual subscription fee of **Rs. 1,050/-**; no other charges will be applied by the Second Party for providing internship opportunities.

A detailed roadmap outlining internship and placement opportunities shall be provided by the Second Party at the onset of the MoU. Furthermore, at the end of every quarter, the Second Party shall submit a comprehensive report to the designated IFET staff in-charge

and IFET management. Additionally, the Second Party agrees to promote and move students who demonstrate outstanding performance during the internship period into the campus placement process, thereby enhancing their employment prospects.

2.5 Research and Development: Both Parties have agreed to carry out the joint research activities in Various Fields. A road map of proposed R&D activities must be provided by the Second Party at the onset of the MoU. At the end of every quarter a report must be submitted to the IFET staff in-charge and IFET management. The Second Party is accepted to submit the reports apart from NDA papers as per the requirements of the First Party.

2.6 Skill Development Programs: Second Party is to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready. A road map of skills development opportunities must be provided by the Second Party at the onset of the MoU. At the end of every quarter a report must be submitted to the IFET staff in-charge and IFET management. Second Party will encourage the students of the First Party to obtain professional certification at the expense of the student. Success will be measured by the number of professional certifications obtained. Based on the availability, the Second Party is ready to provide Skill Development Program as per the requirement of the First Party.

2.7 Guest Lectures: Second Party is to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in house requirements. Both the Parties agrees to develop, implement, maintain, and use appropriate administrative, technical, or physical security measures to maintain the confidentiality of Student Records.
 11. Non-Solicitation; Employment. The Educational Organization acknowledges that Revature has expended considerable time, effort, and resources to create and staff its programs. Therefore, during the term of this MOU, while any programs are being offered at the Educational Organization, and for one (1) year thereafter, the Educational Organization agrees that it shall not, directly or indirectly, hire or solicit for employment any individual who is an employee, Participant or independent contractor of Revature who was involved in the creation or delivery of any of the Programs or associated curriculum or in Revature's

performance under this MOU.

During a Participant's enrollment in a Program, Revature may communicate with such Participant regarding potential employment with Revature. Revature has the option, but not the obligation, of offering employment to any Participant that successfully completes a Program.

12. **Term and Termination.** This MOU will commence on the Effective Date and will continue for a period of five (5) years (the "Initial Term"). Thereafter, this MOU will automatically renew for additional one-year periods unless (1) either party provides notice of termination to the other party no fewer than twelve months before the effective date of such termination; (2) either party terminates for uncured material breach hereunder with sixty (60) days' prior written notice; or (3) earlier terminated with immediate effect by mutual written agreement. No termination of this MOU shall impact the rights of any Participants.

13. **Miscellaneous.**

13.1 Neither party to this MOU will disclose any proprietary information, confidential or trade secrets of the other party, including this MOU and its contents, without the other party's express written consent.

13.2 This MOU will be construed, interpreted, and enforced in accordance with the laws of the jurisdiction in which the Educational Organization's primary campus is located without regard to conflict of laws principles that would result in the application of any other law.

13.3 This relationship is non-exclusive; meaning the Educational Organization is permitted to refer its students to other competing or similar services and Revature is permitted to sell its services and offer its programs to or through other institutions. Neither Party will make any commitments or incur any liabilities whatsoever on behalf of the other Party. There are no third-party beneficiaries to this MOU.

13.4 This MOU may not be modified or amended except by a signed instrument by the Parties. This MOU is not assignable or transferable by either party without the written consent of the other party, which consent shall not be unreasonably withheld, delayed, or denied. Notwithstanding, no consent shall be required in the event of a change in control of either party.

IN WITNESS WHEREOF, the undersigned represent and warrant that they have executed this MOU by their duly authorized representatives as of the Effective Date.

**Memorandum of Understanding
Industry - Academia Engagement**

This Memorandum of Understanding (MOU) is executed on this day of 04-Nov-2024

BETWEEN

IFET COLLEGE OF ENGINEERING (AN AUTONOMOUS INSTITUTION), duly affiliated to ANNA UNIVERSITY having its campus and office at GANGARAMPALAYAM, VILLUPURAM-605108, TAMILNADU, hereinafter referred to as the "College/First Party", which expression shall where the context so admits includes its successors in interest and permitted assigns.

AND

Movate Technologies Private Limited, a company registered under the Companies Act, 1956 and having its registered office at 6th Floor, 32A&B, Ambit IT Park, Ambit IT Park Road, Ambattur Industrial Estate, Chennai – 600058, Tamil Nadu, India, hereinafter referred to as "Movate" / "Second Party", which expression shall where the context so admits includes its successors in interest and permitted assigns.

Hereinafter referred to jointly as the "Parties" and individually as a "Party" to this MOU.

WHEREAS

IFET COLLEGE OF ENGINEERING (AN AUTONOMOUS INSTITUTION) stands out as an institute of academic excellence by imparting technical, intellectual, and professional skills to the students, offers a distinguishing blend of premium graduate, undergraduate and research programs.

Movate is a global Information Technology, Consulting and Digital Solutions company that provides IT and business consulting, application support and maintenance, development, systems integration, and managed services to its customers.

The College is desirous of placing its students in Movate through Campus Placement - a program conducted within universities and educational institutions to provide jobs to final year passing out students. The educational institution wishes to partner with Movate for recruitment of its final year student population.

Movate is desirous of identifying and nurturing suitable talent from the College who will be considered for placement to Movate after graduation.

This MOU is intended to be legally binding between the Parties and is enforceable in accordance with the applicable laws and regulations.

Accordingly, the Parties have decided to reduce into writing their mutual representations and understanding as stated hereunder:

NOW THIS MOU WITNESSETH AS FOLLOWS:

Objective:

The over-all objective of this MOU is to ensure:

1. Movate offers an Industry Readiness Program to final year shortlisted students to gain exposure on trending technologies like Cyber Security, Digital Engineering Services, Infra Structure Services and Consumer Technical Support.
 2. Students from the College who meet the eligibility criteria of Movate will be shortlisted and given access to the Movate Virtual Academy - iAccelerate Portal on the technology of interest for Movate.
 3. Placement opportunities for students in Movate upon successful completion of Industry Readiness Program as per defined threshold.
 4. Trained and ready to deploy talent availability for Movate.
 5. Movate representatives to be in Board of Studies of College to guide and mentor the students in developing talent and make them industry ready.
 6. Movate employees to participate in the technology symposiums and guest lectures to bridge the gap between academia and industry
 7. Provide opportunities to students to be groomed and mentored by industry experts
-
1. The Parties on this day have executed this MOU to establish a partnership with an intention to enhance the capability of the students selected for Movate from the College through an **Industry Readiness Training Program**, focused training for the pre-selected students with support from the College POC

who will be oriented by Movate subject to the following **Terms and Conditions**:

- a. The college partners with Movate to conduct Industry Readiness Program on technologies like Cyber Security, Infrastructure & Cloud Services, Digital Engineering Service and Consumer Technical Support (Refer Annexure 2).
- b. The Program Sponsors for the agreed programs shall be the Head of Training & Placement Department from the College and EVP & Chief People Officer from Movate.
- c. The Final year students of any Engineering Course with Computer Science/ IT as specialization who are to be trained shall be pre- selected by Movate (hereinafter referred to as the "Pre-selected Students") as per Movate's eligibility criteria and selection process and a Conditional Offer Letter will be given to the Pre-selected Students which will specify the conditions to be complied with to join the organization.
- d. Students will be stack ranked based on their performance and the top performing students from the training program who qualify may be selected into Movate roles, subject to the policies of Movate.
- e. Movate will have the final say based on the individual performance of the students in this regard. All final selections for the offer will be subject to selection in the final Movate recruitment process.
- f. Movate will provide the pre-selected students with access to the iAccelerate Portal with the required e-learning courses for the Industry Readiness Program with training content, industry- academia exposure, and support events to uplift the capability of the Pre-selected Students.
- g. Refer **Annexure-1: Campus Connect Collaboration Plan** is a list of recommended programs by Movate which aims to make the Pre-selected Students industry ready. Movate recommended programs will be implemented for the Pre-selected Students.
- h. The College shall not charge the Pre-selected Students any fee for this course. If it is found that the College has charged fees for this program from students, Movate shall have the right to terminate this MOU and/or pursue other remedies available under the law, against the College.
- i. Movate would do an initial screening process and shortlist students for the Industry Readiness Program. The shortlisted students, would be given a conditional offer letter, confirming their selection into the program.
- j. Movate shall have the discretion to make full time employment offers to any of the Pre-selected Students upon successful selection in Movate 's recruitment process, the Industry Readiness Program, subject to completion of their graduation. Movate shall not be under obligation under this MOU to recruit any fixed number of Pre- selected Students.
- k. The program involves substantial efforts and investment and continuous engagement from Movate with the intent to develop and hire substantial number of students from the College. The College shall therefore, take all necessary steps to ensure that at least 70% of the pre-selected Students join Movate after successful completion of the training. A drop in the joining percentage below the expected level will seriously jeopardize Movate 's interests and may be a material reason to not continue the engagement in the following years.

2. The MOU shall be valid for three (3) years from the date of execution. Movate shall have the right to terminate this MOU for convenience and in the event of breach of material obligations including confidentiality obligations by the College by giving a notice of fifteen (15) days, provided that the breach is not remedied by the College within such period.
3. The Parties herein have agreed to perform various obligations for the purpose outlined in the MOU and there is no monetary obligation/consideration involved herein between the Parties. The College shall bear all expenses towards providing infrastructure, network and internet access, other facilities required for education and training and such other expenses incurred in performing its obligations under this MOU.
4. Under no circumstances shall the Parties be treated as the vendor, employee, contractor, representative and agent of the other. This MOU does not create any other legal relationship of employer/employee, partnership, or joint venture between the Parties herein, other than the relationship contemplated by this MOU. The College do not have any right to obligate or bind Movate in any manner nor the College have the right to act as an agent or representative of Movate.
5. Any information or documentation received by the College during the term of this MOU shall be deemed as "Confidential Information" under this MOU. The Confidential Information includes, but is not limited to, any information, course material, plans, discussions, strategies or any material provided by Movate or its partners to the College, and Movate 's technology including discoveries, inventions, research and development efforts, manufacturing processes, hardware/ software (regardless of media) design and maintenance tools and hardware/software product know-how, which may be disclosed by Movate to the College during the subsistence of this MOU. Confidential Information shall also include any information marked "Confidential" or "Proprietary" but does not include any information already in the public domain or such information which was obtained from a third party. The College shall not disclose, reproduce, and use any Confidential Information for any purpose except solely in connection with the performance of this MOU. Upon expiration or termination of this MOU, the College shall cease using all such Confidential Information and it shall either destroy or return all copies of such Confidential Information, in whatever form. The College and any of its personnel/ students/ faculty shall not disclose the Confidential Information during the term of this MOU and thereafter.

The Parties shall not make unauthorized use of the trade name, trademark, copyright, patent, symbol, licenses, or designation belonging to the other party without prior approval and permission. In the event, the College or any of its personnel/ students/ faculty breach its confidentiality obligations or infringe the intellectual property of Movate, Movate shall have the right to pursue appropriate remedies available at law and shall be entitled to

equitable relief. In addition, the College shall indemnify, defend, and hold harmless Movate , from and against all claims and all losses, liabilities, obligations, damages, expenses and costs (including without limitation reasonable legal fees) brought against or suffered by Movate or any of its respective officers, directors, employees, partners or agents, resulting from, arising out of or relating to breach of confidentiality obligations, applicable laws and regulations and infringement of intellectual property.

6. Movate shall provide requisite publicity material such as handouts, information brochures and posters, if applicable to the College. Upon expiration, termination of this MOU or when requested by Movate , the College shall cease using all such material and documents and it shall immediately return all copies of the documents, in whatever form, to Movate .
7. Neither of the Parties shall use the name of the other Party in any advertisement nor make any public announcement without the prior written approval of the other Party.
8. Movate may have similar collaborations with other institutions and this MOU is not exclusive.

9. The College may have similar collaborations with other companies so long as Movate's interests are not compromised, confidentiality of the knowhow and processes are maintained, the Pre-selected Students alone are put through Movate training curriculum and made available exclusively to Movate for its recruitment process.
10. The College shall take all necessary steps to safeguard the interest of Movate by avoiding any conflict of interest with other competing companies.
11. Except as expressly stated in this MOU, there shall be no obligation on either of the Parties to compensate the other in any manner or any claim. However, the terms and the conditions in this MOU shall be kept confidential.
12. The Parties agree that no party shall be held liable for any act or omission of the other party under this MOU.
13. The Parties represent that they have the full power and authority to enter this MOU in general and none of the objects stipulated herein are against public policy.
14. The Parties shall designate their respective /representatives who shall be the primary point of contact on behalf of that party as below:

15. The Parties agree to negotiate amendments to this MOU, if necessary, to meet the evolving requirements. Any amendment and/or modification to the MOU will require written approval from both Parties.
16. The termination of this MOU shall not affect the implementation of the projects or programs established under it, prior to such termination or until such definitive agreement is agreed and executed between the Parties whichever is earlier. Notwithstanding anything to the contrary, in the event of expiry or early termination of this MOU, the College shall reimburse all expenses incurred by Movate in performing its obligations under this MOU till the effective date of termination.

17. Any dispute arising out of this MOU shall be at the first instance attempted to be settled amicably between the Parties within a period of 30 days. If the dispute is not resolved within 30 days from the date it first arose, or if either Party believes that it is unlikely to be resolved in this matter, any such dispute shall be finally referred to arbitration. Any controversy or claim arising out of or relating to this MOU, or the breach thereof, shall be settled in accordance with Indian Arbitration and Conciliation Act 1996, and judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction. The arbitration shall be conducted by single arbitrator mutually appointed by the Parties. The seat of arbitration shall be Chennai, Tamil Nadu, India, and the arbitration shall be conducted in English language. In case, the dispute cannot be settled amicably, this MOU shall be subject to the jurisdiction of courts at Chennai.
18. **Force Majeure.** Neither Party shall be liable for any loss, damage or penalty resulting from delays or failures in performance of their obligations under this MOU if the failure results from events beyond the reasonable control of either Party. For the purpose of this MOU, such events shall include, but are not limited to acts of God, war, hostility, invasion, act of foreign enemies, rebellion, revolution, riots, civil war or disturbances, acts of civil or military authority, laws, regulations, pandemics, epidemics, COVID-19, acts or orders of any governmental authority, body, agency or official, fires, inclement weather, rain or floods (however caused), strikes, lock-outs or other Labour disputes, epidemics, outbreaks, embargoes or other catastrophes affecting the availability of materials or Labour necessary for the performance of this MOU. The Parties hereto agree to notify the other Party promptly of any such circumstances delaying its performance and to resume performance as soon thereafter as is reasonably practicable.
19. **Anti-Bribery Compliance:** The College acknowledges that Movate conducts its business in ethical manner and has no tolerance against bribery and corruption. The College and its promoters, partners, employees, representatives, subcontractors, and agents therefore will not violate any applicable anti-corruption and anti-bribery laws and other laws and regulations in the applicable country of operation, including but not limited to U.S. Foreign Corrupt Practices Act and the Bribery Act 2010, then in force.

IN WITNESS WHEREOF both Parties have caused this MOU executed by their duly authorized representatives on the day, month and year stated hereunder.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ('MOU') is executed on 01.06.2021, at Villupuram BETWEEN SOLVERMINDS Solutions & Technologies Pvt. Ltd, a Company incorporated under the provisions of Companies Act, 1956 and having its registered office at Plot 2B-4, 7th Cross Street, SIPCOT IT Park, OMR, Siruseri, Chennai, 603 103 Tamil Nadu, India represented by its authorized signatory Ravishanker Kannan Head-Talent Acquisition, hereinafter referred to as 'SVM' on the ONE PART (which expression whenever used shall mean and include its successors, administrators and assigns),

AND

IFET College of Engineering, IFET Nagar, Gangarampalayam, Tamil Nadu 605108. represented by its authorized signatory The Principal, IFET College of Engineering, Hereinafter referred to as 'Institution' on the OTHER PART (which expression, whenever used, shall mean and include its successors, administrators and assigns).

(SVM and Institution are individually referred to as 'Party' and collectively referred to as 'Parties').

WHEREAS SVM is a global information technology services company and provides IT and business consulting, application support and maintenance, development, systems integration, and managed services to its customers.

AND WHEREAS Institution is a premier educational institute in the country and provides a high quality educational experience to students in a diverse learning environment. From classrooms and laboratories to playgrounds and campus hostels, all the facilities and amenities provided to meet the world-class standards

Private and confidential – MOU between SVM and IFET Campus

The Institution has evolved a comprehensive student-centric learning approach consisting of several stages, designed to add significant values to the learner's understanding in an integrated manner, covering relevant knowledge, practical skills, and positive attitudes.

AND WHEREAS Institution, to enrich practical skills and impart industry-relevant course curriculum to students of all engineering disciplines in the field of Information Technology(IT), has approached SVM for forging an industry-institute academic alliance with the intent to facilitate and train Institution's students and faculty on Development / Testing by utilizing SVM's relevant experience and by deputing SVM's representatives from time to time at the Institution with the object of providing exposure to SVM's Faculty and students to current industrial needs and requirements.

AND WHEREAS SVM, with a bona fide and non-commercial intention of serving the purpose of education and making the students more exposure to the present industrial needs and requirements thereby reducing the cost and time involved in training and making them skill-based personnel after graduation, has accepted the request of Institution.

Accordingly, the Parties have decided to reduce into writing their mutual representations and understanding as stated hereunder:

NOW THIS MOU WITNESSETH AS FOLLOWS:

According to the foregoing covenants, the Parties hereby agree and the state as follows;

1. That the Parties on this day have executed this MOU intending to enhance the quality of the educational experience for students and training of faculty of Institution and also for industry-institute collaboration between the Parties for mutual benefit and pursuant thereto the Parties agreed for;

Private and confidential – MOU between SVM and IFET Campus

SVM may as mutually agreed from time to time, provide Institution with certain material and access to the Development / Testing library and collaterals and the Institution shall use the materials and access to the Development / Testing library under the guidance of SVM and only for this MOU.

If requested by SVM, the Institution will nominate two or three faculty members for undergoing the Trainer program at SVM's office at Chennai for two weeks. The faculty, after completion of training, will be allowed to train a certain number of students as agreed upon in writing from time to time.

The final year students to be trained will be pre-selected by SVM (hereinafter referred to as the 'Pre-selected Students').

The course will be imparted for the duration specified by SVM as an additional training program. This program will be run during the pre-final semester of the graduation course being offered by the Institution for the Pre-selected students.

The Institution is not allowed to charge the Pre-selected Students any fee for this course. If it is found that Institution has charged fees for this program from students, SVM will have the right to immediately terminate this MOU and stop all association with the Institution.

The Institution is not allowed to train any other students according to this MOU other than the Pre-selected Students by SVM.

SVM shall retain the right of first refusal for making employment offers on completion of their graduation from the pool of Pre-selected Students. This is however not applied for the students who are not pre-selected by SVM or have not been made part of the training program under this MOU.

Pre-selected students who undergo this program as part of their pre-final semester may also be given an internship opportunity by SVM either in its office or through virtual mode.

The Institution will at its own cost establish a lab with the specified infrastructure requirements of SVM and will use the lab for imparting the course/training under this MOU. This lab will be used as a first preference for the purpose stated above.

2. Role of SVM:

Utilise the infrastructure at IFET to train students in the domain of software development and testing.

Provide the necessary software licenses for training the students.

Provide internship to the students with a stipend of Rs.15,000 per month.

Offer placement with appropriate salary as per the norms of the Organisation

Seminar /Guest lecture by resource persons from the company on recent developments in software development and testing.

Industrial visits and projects for students

Exchange program enabling faculty members of IFETCE to get trained in latest technologies

Use SVM as an industry partner while applying for funded projects, Conference / Seminars.

Any other activities deemed fit for mutual benefit.

3. The MOU shall be valid for five (5) years from the date of execution. The Parties shall be at full liberty to terminate the MOU at any time by issuing a prior notice of fifteen (15) days. The Parties shall make reasonable efforts for the performance of the MOU and shall in good faith co-operate with each other in duly performing the obligation agreed upon. The Parties herein have agreed to perform various obligations with a voluntary service motive and there is no monetary obligation/consideration involved herein between the Parties. Under no circumstances, SVM shall be treated as the vendor, contractor, and agent of the Institution (or vice-versa).

4. The Institution shall have to bear all expenses towards providing infrastructure, network and internet access, and the other facilities required for the education and training. The Institution will not use the material or access to the Development / Testing library for any other use other than the above-mentioned process. Training of the faculty members or more number of students than agreed or using licenses for any other commercial/non-commercial purposes will be a breach of this MOU and such use may attract legal action along with immediate termination of the MOU.

5. The Institution shall indemnify, defend and hold SVM, its subsidiaries and affiliates thereof and their respective officers, directors, agents and employees, harmless from and against all claims, damages, liabilities, costs, losses and expenses, including reasonable attorneys' fees and

Private and confidential – MOU between SVM and IFET Campus

expenses incurred, related to or arising from: (i) bodily injury or damage to property incurred from or in connection with the performance of Institution under this MOU; (ii) any claim by or against SVM arising out of a breach by the Institution of any obligations (including, without limitation, any warranty, confidentiality, intellectual property, assignment obligations) under this Agreement; (iii) the infringement, misappropriation or a claim of infringement or misappropriation of any patent, copyright, trademark or other proprietary or intellectual property right of a third party; (iv) the acts, omissions, negligence or misconduct of the Institution or its students, officers, directors, agents, representatives, assigns, personnel and employees; (v) any claims by the students or third parties against SVM related to this MOU.

6. SVM may also provide the Institution with publicity material such as handouts, information brochures, and posters, and the Institution shall return any such materials, to SVM on the termination or expiry of this MOU, or as and when requested to do so by SVM.

7. Except for collaboration related to Development / Testing practice, the Institution is not barred from having collaborations with other organizations. Except as expressly stated in this MOU, there shall be no obligation on any Party to compensate the other in any manner or any claim. For initiatives that are planned for the Development / Testing domain, the Institution can invite guest speakers with prior approval from SVM. Any other event in this domain will be conducted in collaboration with SVM.

8. The Parties shall independently meet their expenditure incurred by the respective Parties in performing their part of obligations agreed herein.

9. The Parties shall respect the intellectual property of the other Party and third parties and shall not use the trade name, trademark, copyright, patent, symbol, or designation belonging to the other Party without prior approval and permission. No Party shall claim itself as an agent or representative of the other Party or create any liability for the other Party.

10. The Parties shall maintain the confidentiality of all information, course materials, plans, discussions, strategies, data, or any material which shall be deemed to be confidential.

11. IN NO EVENT SHALL (A) EITHER PARTY IS LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES OF ANY NATURE WHATSOEVER, WHETHER IN CONTRACT, WARRANTY OR TORT.

INCLUDING WITHOUT LIMITATION, DAMAGES FOR LOSS OF PROFITS, REVENUE, DATA, COVER, LOSS OF OR INTERRUPTION OF BUSINESS OF CUSTOMER OR ANY OTHER PARTY ARISING OUT OF OR IN CONNECTION WITH THE DELIVERY, USE OR PERFORMANCE OF THE SERVICES, THE DELIVERABLES, ANY SOFTWARE OR ANY OTHER MATERIALS OR ITEMS, EVEN IF THAT PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR EVEN IF SUCH DAMAGES ARE REASONABLY FORESEEABLE, AND (B) SVM'S AGGREGATE LIABILITY ARISING OUT OF THIS MOU FOR ANY CLAIM OR CLAIMS EXCEED INR 1000.

12. The Parties represent that they have the full power and authority to enter into this MOU in general and none of the objects stipulated herein are against public policy.

13. The Parties shall designate their respective representatives who shall be the primary point of contact on behalf of that Party.

14. Neither of the Parties shall use the name of the other Party in any advertisement nor make any public announcement without the prior written approval of the other Party.

15. SVM will be provided the dream slot during the campus placements by the Institution, which will be finalized based on mutual discussion and agreement.

16. SVM may or may not at its discretion to visit the campus for placements and either Party shall not make any claims on each other in this regard.

17. The Parties may negotiate amendments to this MOU, if necessary, to meet the evolving requirements. Any amendment and / or modifications to the MOU will require written approval from both Parties.

Level 3	These are issues which require the involvement of the Company's development team. The Service Desk will continue to track the issues through to resolution or completion.	First Party's Development team in co-ordination with the service desk.

6.2 Response Time

The Company shall attempt to respond to faults with the Software in accordance with the following timeframes:

Severity Level	Description	Response Time
Severity 1	<p>Critical business impact: one or more key business functions cannot be completed.</p> <p><i>For example, Production server down, Application/DB down, a whole critical Module itself cannot be launched. No work around in any form exists. Without this resolved, business cannot continue. If needed, technical team should stop all other development work and address this issue.</i></p>	Immediate
Severity 2	<p>High business impact: key business functions can still be completed but require process or performance compromise.</p> <p><i>For example, it is a showstopper but a work around exists or any important business process cannot be performed. Business can continue with the work around or tolerable until resolved.</i></p>	1 Day
Severity 3	<p>Medium business impact: significant defects impact key business functions but do not prevent function being completed, or manual workaround exists.</p> <p><i>For example, the fix will be worked on with priority basis along with other high priority items.</i></p>	5 Days

Severity 4	<p>Low business impact: minor application error(s) or cosmetic issues. Key business functions can still be completed.</p> <p><i>For example, there are bugs/observations such as GUI issues, or issues that arise in very rare scenarios. It follows the normal release cycle.</i></p>	5 Days
------------	--	--------

The Licensee acknowledges and agrees that the Response Time refers to the response provided by the Company to the issue with a diagnosis, further steps and delivery timescale where possible and does not guarantee a resolution.

The Company shall allocate a Severity Level to each fault logged by the Service Desk. The Company may need to downgrade the Severity Level if the Licensee does not provide the assistance required by the Company to enable the Company to resolve the fault.

On operating the Software at the recommended standard operating environment as set forth the Agreement, the student information system modules shall have a target Availability of 99.9% (i.e. the maximum potential period of unavailability is 8 hours, 45 minutes and 57 seconds each year).

7. Ownership of data or information shared:

All data or information including Confidential Information that is entered into the Camu software solution by the Second Party, its authorized persons or any of its students or faculty including such of this data or information that is stored on Camu's cloud ("Data") shall remain the property of Second Party and/or its students or faculty, as the case may be.

All Data collected through Camu shall be the property of the Second Party. It is the responsibility of the First Party to ensure the data is not lost at any point in time once saved in the CAMU system.

The Licensor shall comply with the data protection laws with respect to the processing of the Licensee personal data. The Licensor shall only process the Licensee personal data for the purposes specified in this agreement.

Both parties agree to maintain the confidentiality of any proprietary or sensitive information disclosed during the course of this agreement.

Confidential information includes but is not limited to, business strategies, trade secrets, and customer data.

Data Security and Privacy:

First Party should maintain the software and hardware in compliance with the data privacy laws and regulations.

The First Party agrees to implement industry-standard security measures to protect the second party's data stored within the Education ERP system.
