Editor's Desk

From the Editor's desk.

Warm greetings to our readers.

With the dawn of 2025, "IFET TIMES" enters its 10th year of publication. But for the solid support from the readers, patrons and the contributors this is impossible. IFET TIMES profusely thanks the management of IFETCE and all other stakeholders for crossing this milestone.

The national-level project expo competition conducted by IFETCE was a big hit attracting nearly 200 projects from students of nearly 100 colleges. The projects were of very high quality, using the latest technologies and were sumptuously rewarded by IFETCE.

In the HR conclave conducted by us, our students had the opportunity to interact directly with HR professionals from various companies. This session provided our students the knowledge about the nuances of recruitment and how they should prepare themselves to come out with flying colors in the recruitment process.

IFET TIMES congratulates our alumni members who have spared their time to deliver guest lectures and to educate our students to become industry-ready.

THE LIGHT OF LEARNING

நான் ஒரு வெறும் பக்கமாக இருந்தேன்,
எழுத்துகள் தெரியாமலே விழித்தேன்.
அந்தப் பக்கத்தில் முதலில் எழுதியவர் –
என் ஆசான்.
கற்றதைக் கடந்து, வாழ்வைப் பகிர்ந்தவர்,
மூச்சுள்ள புத்தகம் போல...
அவரது வார்த்தைகள், ஒவ்வொன்றும்
நெஞ்சில் பதிந்த பா போல.
"பிழை செய்யாதே!" என்று அல்ல,
"பிழை செய்து பழகு!" என்று கூறியவர்.
அதைத் திருத்தும் நேரத்தில்
அவரது பார்வை தான் நம் பக்கமே இருந்தது.
மீண்டும் மீண்டும் கேட்ட என் கேள்விக்கு,
மீண்டும் மீண்டும் பதில் சொன்னவர்.
சலிப்பில்லாமல்... நகைச்சுவையோடு.
அதை நான் இன்று நினைத்தால்
ஒரு புன்னகை வருகிறது.
நான் விழுந்த நேரங்களில்
தட்டி எழுப்பிய கை,
நான் வென்ற நேரங்களில்
அவளவுதான்...
நானா வளர்ந்தேன் என்று பாராட்டிய கண்கள்.
பள்ளியோ, கல்லூரியோ எதுவாக இருந்தாலும்
அவர்களின் சுவடில்லை என்றால்
நாம் எப்படி உருவாயிருப்போம்?
"ஆசான்" என்பது வெறும் "டீச்சர்" இல்லை –
அவர் ஒரு மனிதன் மட்டுமல்ல,
ஒரு வெளிச்சம்.
அவர் எங்கேயாவது இருந்தாலும்,
நம்மை வாழ்த்திக் கொண்டிருக்கிறாரென்று
நம்பலாம்.

UNFINISHED THINGS

When you have things to do; do it today,
When you leave it aside it's going to be a bad day
If you put things off to another week,
Your mind is sure to get weak
You will keep pondering about unfinished chores
Even while playing on Sandy Shores
You will never forget it, for it will be lurking in your mind
But if you finish it, peace and calm you will be able to find
And if you don't, then it's your end-
Leave not work undone in vain,
Or it will lead you to immense pain!
So, keep things checked and done-
And then the battle is Won!

~ Ms. M. S. Sowmiya I Year AIML

LESSONS BEYOND THE PAGE

Not all we learn is in the text,
Some truths come when we least expect.
A whisper shared, a question asked,
A quiet courage in a task.
A teacher's glance, a friend's advice,
A failure once, then learning twice.
In every smile, in every fall,
Life teaches us beyond the hall.
So let us learn not just to pass,
But seek the truth that's built to last.
For education's greatest role
Is not the grade but growing

~ Abishek raj AP/IV/IT

THE LIGHT OF LEARNING

In halls of hope where dreams are born,
With books in hand and pages worn,
The seeds of wisdom gently grow,
In minds that yearn, in hearts aglow.
A spark ignites with every word,
A silent strength, though barely heard.
From chalk and board to screens so bright,
Education casts its guiding light.
It breaks all chains, it lifts the soul,
It carves the path, it shapes the goal.
No wall too high, no dream too far
Knowledge becomes our guiding star.
